Announcement

Partial deletion of Supplementary Federal note

The Federal government today (value date t+1) reduced the nominal value of the

2.40% Supplementary Federal note
ISIN DE000BU4W000

issued on 28 December 2022 by € 3,215,967,504.14. The deletion of the security took place in the portfolio of the Economic Stabilisation Fund. The new bond volume amounts to € 136,935,607,513.70.

The deletion was carried out on behalf of the Federal government following a decision by the Federal Ministry of Finance on the basis of Section 6 (8) of the Federal Debt Management Act.
